

### REMARKS

Applicant has made a minor amendment to the title to more accurately describe the invention. This amendment is being filed concurrent with the payment of the Issue Fee.

It is noted that the new title was first presented to the Patent Office as part of the original §371 filing documents, e.g., Transmittal Letter; Application Data Sheet; Declaration, etc. In addition, a Request for Correction of Filing Receipt was filed on March 22, 2005 requesting correction of the title. Thus, prompt and favorable consideration of this amendment and issuance of the Letters Patent with amended title is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: September 12, 2006
